Aloha,

I am Jim Brewer, Green Party candidate for Governor of Hawaii.

If elected, the Brewer-Ing Governing Team will be working to meet all challenges facing Hawaii. Our two statements on this website, briefly describe our action agenda for Hawaii. We respectfully ask for YourVote.

The Green Party's platform has four legs: Participatory Democracy; Aloha Aina for a Sustainable Local-Global Environment; a Sustainable "Shared Prosperity" Economy; and Peace from Social Justice. See the Website: www.greenhawaii.org.

This campaign is about Grassroots People versus Millions of Corporate-Interest Dollars. Green Party candidates accept no corporate or political action committee (PAC) money. For more information and, to Help Us Campaign call 953-2447.

Many People today believe that corporate money has come to almost completely dominate U.S. and Hawaii politics; and, it seriously undermines the whole idea of "we the People" Democracy, with true government of, by and for the People. Renee and I call what we have today, rule by "Corporatocracy." Corporatocracy is Anti-Democracy.

If elected, we will keep Hawaii moving forward in an ever-changing, knowledge based and globalized world. Three challenges have to be solved immediately. There is the problem of corporate interests prevailing over the vital interests and quality of life of Hawaii's People. Constantly rearranging the furniture with our struggling and grossly under-funded Public School System has not worked. We need Fair Taxes Reform. We will solve these.

Please see Lieutenant Governor candidates Renee Ing's statement for more about our action agenda. Vote Jim Brewer Governor 2006. Mahalo
